

### **Louisiana Medicaid Approved Pay and Chase Primary Prenatal Care Diagnosis Codes**

MCOs must use the "pay and chase" method of payment for prenatal services for individuals with other Health Insurance. The MCO must seek reimbursement from the third party within 60 days after the end of the month in which payment is made.

Primary prenatal diagnoses which do not require primary health insurance claim filing by most providers are confined to those listed below. **Hospitals are not included and must continue to file claims with the primary health insurance carriers.**
